Dear Parents

It was lovely to welcome the children back to school last week after the Easter break. The warmer late Spring weather has allowed our children to make the most of our school grounds. The tennis courts have been busy with children practicing their tennis skills and playing matches both in lessons and during their playtimes. The cricket nets are up and last week saw the first home rounders fixture of the season.

There was great excitement in the Year 2 classroom this week with the hatching of some bantams. The children had been carefully watching the eggs in the incubator since they returned from their Easter break and the waiting was finally over. Using the wonders of modern technology, the Chicken Cam went live and the whole school, including parents, eagerly watched for signs of life. The chicks emerged from their shells to the great delight of the children and have been placed in a special brooder in the classroom. The rest of the school including the Nursery children, joined in the enjoyment; taking turns to see and hold the very newest members of our school community.

Over the last ten weeks, children in Year 6 have had the opportunity to work on their own Independent Research Projects. As part of the process the children were mentored by Prep School staff and taught key learning skills through the exploration of inspirational topics chosen by them. From learning how to question and validate information found on the internet, to compiling and writing a bibliography, the skills they have developed are those they can use for life. The topics chosen were wide and varied - The Russian Revolution, The Greeks: Mythology, Animals in War, Japanese Art, The Great Fire of London, ¡Columbia! and Sharks. The presentation afternoon left staff and parents justifiably proud of the children’s individual achievements and the applause was rightly deserved as the children received their certificates.

The rest of the Summer term at the Prep School promises to be wonderful with many events, activities and sporting fixtures planned over the next few weeks. Indeed the Prep pages of this week’s newsletter show just what a very busy school we are. The children have been excited with the wide range of after school activities on offer this term and the School is lively until late every day.

With good wishes

Maria Maslin

Dear Parents

I very much hope you all had a good Easter break, although the holidays already seem like a distant memory! I was proud that, as ever, many of our teachers ran revision sessions during the break and there is no doubt that our Year 11 and Year 13 students are prepared for the academic challenges ahead. However, for them especially, this is a difficult and stressful time and we must do what we can to support them as they prepare for a range of important public examinations – and best of luck to them all.

For most of the school community, it is business as usual and it was lovely to welcome a few new pupils to the School from Spain, France and Germany who are joining us for the summer term. Last Saturday we also welcomed over 30 year 5 students to the Abbey for one of our termly enrichment days and they enjoyed sessions in Sport, Business and ‘Battlefield Philosophy’ – a wonderfully unique introduction to Philosophy & Ethics for young children. The Abbey’s careers programme also resumed during our first week back with a fascinating visit from a published author – and I was pleased to see that many of our very gifted creative writers attended the talk. A lovely music tradition of recent years took place in the Library on Tuesday when Mr. Langridge and Mrs. Colman hosted the much anticipated Key Stage 3 Soiree – a very civilized affair that was enjoyed by all concerned. We have finished the week with another memorable event and I am hugely indebted to Mrs Brampton for organizing Battle Abbey’s ‘Race for Life’ in aid of Cancer Research. Over a third of the school took part in this fantastic charity fund-raiser and I was delighted with the way in which both staff and students embraced the occasion.

This summer term is one that brings with it very mixed emotions for our Year 13 students. Many of them have been at Battle Abbey for many years and they will be sad to leave the certainty and support contained within the Abbey walls. They are, however, ready for their next steps and it was lovely that most of the year group got together for a drinks reception at Cleveland – which proved a fitting way to thank them for all that they have done for the School and to wish them well for their final academic challenges.

With good wishes

David Clark
Nursery News

The children were very excited upon their return from their Easter break to share their holiday news and adventures. We have used your lovely Tapestry entries for the children to use during discussion time which helps them to remain focused.

Little Squirrels have enjoyed the adverse weather conditions from exploring the puddles and the drips in the rain to creating shelters and dens in the garden from the sunshine. They have welcomed some new little friends over the last 2 weeks who are very quickly settling into their new surroundings.

The Acorns group have been busy discovering natural textures and describing how they feel. They have built and moulded sand castles using wet and dry sand, explored soil for mini beasts, hidden treasures in the compost and enjoyed lots of water play.

Oaks have been learning all about the life cycle of a chick. We have been following the journey of the eggs in Mrs Golding’s incubator via the web cam and visits to her classroom. We were very excited when the chicks hatched. We had to wait a few days before we had the opportunity to hold them. They were very small and fluffy. Following on from this, Miss Lee wrote to the zoo to ask for a pet, so they sent her...... some caterpillars!!! We will be carefully monitoring and watching the magic of metamorphosis.

We will, unfortunately, be losing two valued members of our nursery team. Miss Emily Maine and Mrs Johnna Mullarkey have decided to spend some quality time with their families. We wish them both well and we will hopefully see them pop in from time to time.

Please join us in welcoming our new staff this term. Miss Sam Payton, who will be based in the office as our nursery receptionist and our students Miss Ola Czamarzam, Miss Shannon Hughes and Miss Leila Dawes have now qualified and become part of our team.

Have a wonderful weekend

Miss Lee

Dates to remember:
Reception Taster Sessions:
  Wed 15th May 9am - 10am
  Tue 11th June 2pm 3pm
Thurs 13th June (Teddy Bears Picnic) 9am - 10am
Braiswick individual and whole nursery photo - Wed 15th May 9am
Bank Holiday Closure - Monday 27th May
Half Term - Tuesday 28th May - Friday 31st May
500 not out!

Battle Abbey School is delighted to report that, for the first time in its history, there are now 500 pupils on the school roll. Strong recruitment at all sites has led to this total with the school now operating a waiting list for several year groups. Maria Maslin, Prep Headteacher commented, 'With the arrival of Hugo and Thomas Clark-Fisher we have reached this record number. It seems fitting these pupils are the grandsons of Judy Clark, our former Prep School Headteacher and shows how our school family ethos extends through the generations. It is a time of great optimism for Battle Abbey School having opened our brand new Nursery facility last September which is thriving. Our Prep School is currently ranked in the Times Top 50 in the country for academic achievement and, for a small family school, we are proud to show we compete on a national level.'

Marketing Manager James Dennett said, 'At a time of great uncertainty for the Independent School market in general Battle Abbey School is well and truly bucking the national trend. The current high levels of recruitment can be attributed to a number of factors but there is no doubt that the latest Government produced league table reported on the BBC has helped enormously. This important league table saw Battle Abbey Senior School ranked as the top secondary school in East Sussex, West Sussex and Kent for pupil progress and achievement at A Level and the same league table had Battle Abbey School ranked 26th nationally out of nearly 4,500 schools. It has also helped that our recent A Level and GCSE results have put us in the top 120 schools in the country.'

Equally, our award winning ‘Fuel Your Child’s Success’ marketing campaign has made a difference in raising the profile of the school regionally and we broke our Open Day attendance record this academic year with over 212 prospective pupils and their families attending the school sites.

David Clark, Senior Headmaster, said 'Our parents and pupils continue to be the best ambassadors for the school and happy and satisfied parents who talk about us to their friends make a significant difference for us. Our pupils’ conduct and behaviour beyond the Abbey walls is also a huge marketing fillip. Their confidence and attitude both while they are pupils at the school and when they leave to enter the world of work or further education, speaks volumes about the efforts the staff here put in to get the very best out of the pupils.'

Prep School News
The Reception children have been learning all about dinosaurs this term. They have become palaeontologists and searched for fossils using their special equipment.

They have also created amazing fossil pictures and have written fact files about their favourite dinosaurs. The children have enjoyed learning about herbivores, carnivores and omnivores and have enjoyed sorting the dinosaurs into their different groups. Well done Reception!

**Sport**

**Wednesday 1st May**

On Wednesday 1st May Year 3 got the opportunity to represent Battle Abbey Prep School in the Hastings and Rother Tri Golf Tournament at Cooden Beach Golf Course. 12 primary schools in total participated in 8 different Golf challenges. Some tasks involved measuring the accuracy of their Putting technique whilst others used the chipper. The aim was to work as a team to gain as many accuracy points as possible. All of those who participated gained a certificate.

The under 11/10 Girls Rounders team travelled to Roedean Moira House for a fixture on the same day. In two evenly contested matches there were good batting performances by Hermione, Ellie and Darci, some consistent bowling by Sophie and an increased awareness of the rules and tactics of Rounders by the whole team as the game progressed. Under 11 lost the first match by 12 rounders to 4 and a half; but the team were much improved in their fielding skills in the second match and won by 8 and a half rounders to 8. Ellie and Yashika were voted best fielders by Roedean and Hermione West was voted best batter.

**Thursday 2nd May**

On Thursday 2nd May the under 9/8 Girls Rounders teams hosted a fixture against Roedean Moira House. In the first match there were good batting performances by Molly and Ella Rose who scored 4 rounders between them. Molly and Kitty also tried hard to bowl well and keep the opponent’s score to a minimum. Annabel made an excellent double dismissal by catch and a stumping at the same time on 2nd Post and the team eventually won comfortably by 11 rounders to 8.

The under 8s lost their first ever match by 12 rounders to 6 and a half; mainly due to the number of ‘no ball’ half rounders given away but the team were much improved in their fielding skills and gained a lot from playing a full match for the first time. Molly and Ella Rose were voted players of the match. Well done to everyone who played.
Easter Round Up!

Here are the winners of our ‘Easter Egg’ competition. Well done everyone for all the amazing design entries.

It was with great excitement that the school gathered on the playground for our Easter Egg Hunt. The lovely FOBAS ladies had covered the field with house colour-coded easter eggs for the children to collect. After the house eggs had been collected, each child had to scour the AstroTurf for an egg with their own name on it to exchange for a chocolate egg. Great fun was had by all and it was lovely to see the older children encouraging and helping the younger ones to find their eggs. First place went to St Martin’s, with St E’s only six seconds behind! Well done, everyone and a great big thank you to the FOBAS ladies.
Key Stage One had a lovely time visiting St. Peters Church. The children learned all about baptism, the various church services, traditions and the history of the building. The children thoroughly enjoyed the hands on activities, such as folding paper crosses and letting them float and open up in the font! The children also particularly enjoyed looking at the art work, stained-glass windows and hearing about the biblical stories that surrounded them. Thank you to everyone at St Peter’s Church for such a warm welcome and a very informative afternoon.

As part of Design and Engineering Club the children have been building and programming different models using the Lego WeDo app and build kits. So far they have made a rotating satellite, glowing snail and spinning fan!

A real Twitter Feed

Follow all the chick hatching action in the Year 2 classroom by clicking on the live webcam feed on Mrs Golding’s blog.

http://trudygolding.co.uk/

Our first chick hatched at 4:50pm on April 29th much to the excitement of onlooking staff, students and parents!
Rafael and Alex were awarded with these trophies on Sunday at Hastings and Bexhill Rugby Club Mini’s Presentation day (sponsored by Battle Abbey School). Rafael was presented with the Sporting Spirit award for the Under 9s and Alex was presented with Best Newcomer for the Under 11s.

Congratulations to both boys on a well deserved achievement.

IAPS Swimming Success

In February, swimmers from the Prep School competed in the IAPS Swimming Championships. All the swimmers swam exceptionally well. All the qualifying rounds have now been completed and we have just received the results. It is worth noting that the IAPS swimming event is a very hard and fast competition with some events having 300 competitors entered. I am delighted to say that all our swimmers finished in the top half of their events with some new PBs achieved. We are especially delighted to be able to announce that the girls 8 x 25 meter freestyle relay have qualified for the IAPS final to be held at the Aquatic Centre, London in June.

ESSA Swim Success

On Saturday 11th May the Prep School Swim Squad travelled to the Spectrum Pool in Guildford for the regional round of the ESSA Relay Championship. The squad had qualified for the mixed stroke and freestyle relays.

Our mixed stroke relay team achieved a brilliant fourth place in the final having dropped an impressive 3 seconds on the time they had set in the county round. The freestyle relay also dropped 3 seconds form their previous time and finished in a magnificent third place in the final.

The swim squad have now qualified for the National Finals to be held at Sheffield in June. This will be the fifth year in a row that the Prep School has qualified for the national final.

The children all swam exceptionally well and it was clear that all the hours of hard training have paid off on the night. These finals were extremely exciting and nerve wracking to watch. I would like to thank all of the parents/families that came along to support the children. It was wonderful to have so many and they were by far the loudest cheerleaders. As their coach, I am extremely proud of not only their amazing swims on the night, but of all the effort they have put into their training, not only in school but in the holidays as well. Their sportsmanship and support of each other on the night was lovely to see and they are a credit to themselves, their families and of course the Prep School.

Miss Govan

Parents enjoying the school pool

This half term we have opened the swimming pool up on a Wednesday and Friday Mornings for parents to come along for an early morning swim. These sessions have been a huge success and we have regularly had a full pool. Parents from both the Abbey and Prep school have loved starting their day with a swim and are building a lovely parent swim community. Miss Govan would be very happy to see more parents if you are free and would like to receive more info on these session – please email prep@battleabbeyschool.com
Senior School News

**Jempson just misses out on medal as he makes top 25 in the UK**

David Jempson achieved a fantastic Distinction in the National Maths Olympiads, scoring 49 out of 60.

This is an incredible achievement for any student, but in the first year that David was eligible for the competition this result is simply amazing.

David was one mark off being awarded a medal and making it through to the next round! - the top 20 in the whole of the UK. Really fantastic, well done David.

**It all adds up for Bexhill Academy**

Year 11 Bexhill Academy students have once again visited the Maths department in preparation for their GCSE exam this summer. For 5 weeks on a Wednesday afternoon they travelled to Battle Abbey to receive help from our dedicated year 12 Maths and Further Maths students. It comes as no surprise to know that our students willingly gave up their own time to mentor and coach other students, providing support and explanations as together they worked through GCSE exam questions. Each week there was a real buzz as the students discussed a wide range of maths questions. We know that the Bexhill students (and their teachers) appreciated the time and advice that our students gave and we wish them well with all their exams.

**Artist of the month. James McDonald**

James is focusing on machinery, developing his work into musical instruments. He has been inspired by the work of Cornelia Parker.
HALO HALO HALO!

This year’s Sixth Form HALO Cohort chose a Bonzai tree as their ‘legacy plant’. Undeterred by the long development time and the fiddly care it needs they hope to leave a lasting legacy for following HALO attendees. Potentially 300 years plus of attendees if it lasts its life cycle!

History in the Making

Year 7 made a fantastic shield wall and took part in English Heritage led historical workshops showing the power struggle for the throne of England and the use of weapons.

Dick Whittington: The Comedy Musical

Five Battle Abbey students featured heavily in The Hastings Stage Studio’s fantastic original production of Dick Whittington: The Comedy Musical at The White Rock Theatre April 27th and 28th. Brandon Pohlhammer, Emily Morgan-Owen, Morgan Smith and Erin Morgan-Owen gave outstanding performances onstage, while Ché Shand was a big help with backstage props and sets. The show was written, directed and choreographed by John & Vanessa Pohlhammer.

In the words of Battle Abbey’s own singing teacher Judith Coleman, the show was “Just extraordinary! So glad I came...inspirational and brilliant.”

All the students displayed amazingly mature performing abilities in solo songs, harmonies, hilarious comedy, skilful dancing and heartfelt acting to create an outstanding night at the theatre for all who attended, and they should all be very proud of their excellent work.

Over the last year BAS have achieved an 80% success rate on completion of DofE awards from the last years cohort, which is the second highest in our region and is even more impressive when set against a set target of 60% and the national average was 55.5%. Well done to all the students that achieved their Award last year.

Easter was busy with expeditions with over 70 pupils on expedition in Wales, the New Forest and Sussex, this equates to 118 pupil nights in a tent and over 2316 Km walked. Great effort everyone.

If your Son or Daughter is in Y9 and wants to do their Duke of Edinburgh Award in Y10 there will be a letter home but please feel free to contact Bryn Beach on beachb@battleabbeyschool.com if you have any questions.

---

**Shields and castles**

Year 7 have been covering the topic of the Normans in their history lessons. They have been learning about what life was like in England during the time of the Anglo-Saxons, the lead up to the Battle of Hastings and why it occurred, and they are now moving on to the changes in England under the Normans. As a project over the Easter break they were asked to create/design either a shield or a castle. They have been looking at the different types of equipment used by both armies and so they were able to choose whether to do a Norman or Saxon shield. We have also been looking at the importance of castles for William and how they were used to aid him in conquering England. The students designed and made their shields and castles at home over the break and then presented them to the class giving an explanation of what type of shield/castle they had chosen and what they were used for and the features that made them different to others. The students all did amazingly well with this task and put in a lot of effort as they have done across the whole topic. Both the shields and castles were very impressive and creative. It has helped them to visualise what they have been learning about in the classroom and the differences in design.
Dallington School were in the Art department last week looking at the work of Marc Chagall as part of a Circus theme. We discussed the work of Chagall, talking about the colour palette, mood and meaning of the work. Students spent time practising their drawing skills, drawing various animals and clowns. They also enjoyed seeing some of their Easter egg designs on display in Martlet House window.

Fantastic art by James Graham. Year 11 are practising techniques, styles and colour palettes for their final GCSE Art exam.

Jowin Cho’s ‘Bag for Life’ created during her Textiles A Level exam (here and front cover). Totally made from re-cycled materials and some real and machine stitched flowers. Don’t forget to spread the word about our Eco Textiles Competition!
Joshua Sheffield played in the Sussex Hockey finals last Sunday. Having played 8 games and won 7 Josh’s team were confirmed as South U16 Champions. Well done Josh!

**U15B Rounders v Moira House**
**Won 8 - 7.5**

After one week of training the BAS girls were straight into their 1st game. With Lexie Collins starting off the scoring, the 1st innings reaped a low yield for both teams. The BAS fielding made the difference accounting for 7 opposition batters. Phoebe Upton controlled the field well from backstop. The 2nd innings saw the girls compete harder for scores with Amy, Emily, Annabelle & Lexie giving Moira House a challenge in field. Emily Morgan-Owen’s debut as bowler was brilliant not giving away a single point. As MH closed the scoring gap the game became intense leaving BAS little room for error. The BAS team worked hard to close out proceedings with no scores in the last 5 balls.

Well done BAS, a very exciting 1st game & a well earned result!

**GOTG:** Amy Miller
**Played well:** Lexie Collins
David Law

Challenging extremist behaviour and PREVENT awareness

Open to all Prep and Senior parents. Free to attend (book with Senior School office) 01424 772385 or admin@battleabbeyeschool.com. Parking available on site at the Senior School.

David Law is the Prevent Project Officer for the Safer East Sussex Team. This team is based at Hammonds Drive Police station in Eastbourne and is part of East Sussex County Council. David is a former Sussex Police Officer with a qualification in teaching PSHEe. He is also a Registered Psychiatric Nurse. As part of his role David runs Prevent Duty training for staff and workshops for young people to be aware of exploitation, discuss these issues and help them to develop the knowledge and skills to counter extremist arguments. The issues covered with young people are personal identity, good/bad relationships, the values that Britain supports, the problem of abuse in relationships, racism, hate crime, and the development of extreme views. Online issues with consideration of video gaming, social media and scams are some of the biggest concerns that parents face today. David believes strongly in building resilience to these issues at an early age as it is impossible to totally protect our children from the influences that surround us all particularly via the internet and social media. Protecting young people from exploitation is more important than ever. David always welcomes the opportunity to keep parents informed about the Prevent Duty and have the same knowledge as teaching staff regarding safeguarding referrals. David will discuss the Prevent Duty, where it came from and the types of extremism that he has encountered, as well as how the issue is being tackled.

Spaces strictly limited, contact info@battleabbeyschool.com to stake your claim!

Battle Abbey Prep School will be running a special RUMBLE IN THE JUNGLE day for Reception and KS1 on Thursday 23rd May 2019

We invite your child to enjoy a typical day at our school, with extended day options available from 7.45am to 5.15pm.

Refreshments will be available and our staff team look forward to welcoming you and your child between 7.45am and 8.20am.

To book your child’s place, or for more information, please contact the Prep School as these complimentary places are limited.

Battle Abbey Prep School
40 Hastings Road, Bexhill, TN40 2NH.

‘Sustainable Us’
Eco-Wear Fashion and Accessories Competition

£150 prize* for the winner in each category.

We want:

One. Re-invented garments or whole outfits (entries can be a garment re-fashioned from other re-claimed garments, OR a customised/eco-decorated existing re-claimed garment).

Two. Re-invented accessories (bags, shoes or jewellery created from recycled and/or thrown away materials).

Category 1. Entries from Year 5 - 9 pupils.
Category 2. Entries from Year 10 - 13 pupils.

Plus Special Innovation Prize sponsored by Coastal Currents Arts Festival

How to enter:

We accept entries from teams or individuals in both categories. Your entry will need to include:

One. Word document or similar including your name(s), your school, the materials used in piece, title of piece, idea behind it, age group/category.

Two. Powerpoint file or medium to high res jpeg images, showing garment or accessory from front, back and two sides. Items worn by a model are acceptable. Entry should also include close-up photos showing how garment has been constructed or decorated.

Emailed entries should be Titled EcoFashion Competition and sent to info@battleabbeyschool.com. We also accept posted entries on memory stick addressed to: James Dennett, Eco Textiles Competition, Battle Abbey School, Battle, East Sussex TN33 0AD.

Finalists will be notified and will need to be available to set up on the 2nd July. Details will be provided.

Judging: Regional fashion industry and art professionals.
Entry deadline: Friday 24th May (Finalists will be notified by Monday 3rd June).
Final: Tuesday 2nd July, 1pm – 3.30pm.
Location: The Library, Battle Abbey School.
