17th March 2020

To Parents & Guardians of Boarding Students

UPDATE ON BOARDING ARRANGEMENTS

The school and the boarding community continue to operate as normally as possible under the current circumstances. This is something we fully intend to do until directly mandated by the UK Government because of the importance we place on educating and caring for your children.

There may need to be some adjustments, however, with regards to day-to-day schedules, as well as rooming. In order to continue to offer high quality care to our students, we are moving as many boarders as possible to the main Abbey site (starting with Westnedge) - which may cause some slight disruption. Please be assured that this is a temporary measure and we will do everything in our power to minimise the impact of this.

As the global situation develops, we also understand that you may wish to take your child home. Should you request this, we will support your decision and continue to provide an education remotely using our online platforms (most notably Firefly, Microsoft Teams, Outlook and Skype for older students).

If you have any questions, then please contact a member of the Health and Welfare team on medical@battleabbey.school Tel: 01424 772385

We are most grateful to you all for your co-operation and understanding in this matter, and will continue to keep you informed of any further developments.

Mr. David Clark
Headmaster
