22<sup>nd</sup> May 2020

Dear Parents of pupils in Year 6,

Thank you for your feedback and patience while we have been making preparations and decisions regarding the school re-opening for certain year groups from 1st June. Please find attached some FAQs that I hope will address any queries you may have.

Pupils in Year 6 will continue to have their on-line lessons with subject specialists in the mornings. For pupils on site, this will be supervised by Mr Barraclough and Mr Cassidy, who will be able to help support/extend the work for pupils as the lesson progresses.

Mr Barraclough will be letting Year 6 know of a Teams meeting next week where they will brainstorm and plan their afternoon activities and projects. Whilst we are unable to use the pool, I am sure plenty of games sessions and outdoor projects will be requested, along with some transition events.

I would be grateful if you would let me know your decision to send your child to school or not by Wednesday 27th May so we can finish our preparation and ensure all the packs are in the right place.

Please do not hesitate to contact me if you have any further queries via email [shoesmithn@battleabbeyschool.com](mailto:shoesmithn@battleabbeyschool.com) or request a phone call in your message. We are all working from home at the moment so I will call you rather than you calling the office - 'No caller ID' will appear, so do answer!

I will also be in school full time from 1st June and look forward to welcoming many of our families back on site.

With all best wishes for a restful half term break,

**Nova Shoesmith**  
**Prep School Deputy Head**  
**SENCO**
